

WELCOME

Dear Parents and Students,

It's hard to believe that the summer is over and the school year is back in session! The Elementary years are challenging but most rewarding as the students prepare towards higher learning. I am certain that this year will prove to be academically successful and filled with memories that your child will look back on fondly in years to come.

Please find a resource package put together to inform you and your child of the expectations in the program. Your package will include:

- Monitoring your Child's Academic Progress- for your file
- Classroom Expectations- for your file
- Elementary Behaviour Expectations- for your file
- School supply list
- **Homework policy (to be signed and returned on the first day of school)**
- **General Information Verification Sign-Back form (to be signed and returned on the first day of school)**

Please take the time to read this package together with your son or daughter. We look forward to this coming year, and working together to create a healthy, educational, and nurturing classroom environment.

Your Partners in Education,
The Elementary Team
