

Dear Casa Parents,

We hope that this letter finds you well, and that you are all keeping safe and healthy as we prepare to return for the new school year 2022-2023. We are excited to be able to provide a more normal return to our classroom spaces this year and continue to be confident in our collective efforts in maintaining a healthy and safe learning environment for our students, staff and families.

We understand that circumstances and events change daily. The Casa Program continues to operate and use our teaching teams to focus on the needs and learning for students who attend in person first. **The Casa Department does not provide Distance Learning in any capacity unless there is an instance of mandated Childcare closure.**

Please ensure that you have read and reviewed the information on the Parent Portal and/or shared by your child's classroom. Specifically the Covid19 Edition Parent Handbook and the Casa Distance Learning Program 2022-2023. We thank you for taking the time to read and review this important information no later than **Friday, September 9th, 2022** and to sign and return this form. It will be kept in your child's file for the duration of the school year. Thank you in advance for your cooperation.
