

# CANADA'S ANTI-SPAM LEGISLATION

## What is the Canada anti-spam legislation (CASL)?

*Canada's anti-spam legislation (CASL) protects consumers and businesses from the misuse of digital technology, including spam and other electronic threats. It also aims to help businesses stay competitive in a global, digital marketplace.*

This is a consent to receive emails from Montessori School in Kleinburg and its associates, in order for the school to communicate safely over email, we request you to complete, sign and return this form to MSK before the start of school.
