

## MSK CIVVIES DAY 2022-2023

Students have loved civvies day for many years and will continue to enjoy the day, as MSK will be providing 10 (ten) days for civvies this year, **one Friday of each month.**

**What is Civvies day?** It is a day where students and staff go to school in casual clothing instead of school uniform. Also known as casual clothes day, colour day, own clothes day, home clothes day, plain clothes day, non-uniform day, free dress day, dress down day, uniform-free day.

**Purpose:** The purpose for the civvies day is to let students have fun and express themselves in their favourite clothes, shoes, hats etc. but also to teach students that there are many students around the world that are less fortunate and require our help. As we lay the foundation of fundraising, MSK students will learn the meaning of helping others.

Every year we take on the challenge of sponsoring students suggested by "The Olive Branch for Children" or graduate students from the V, M, K schools that are passionate about continuing their education. MSK will continue to sponsor Clever, and also two new students recommended by The Olive Branch for Children – "Mwajuma" and "Geita". You are able to read more about each student on the MSK website. With your support we can help provide a better future for these children. **All proceeds from the Civvies Days fundraising will go directly towards supporting these students and students at the V, M, K schools in Tanzania, Africa.**

The civvies day fee is \$10 per month. Please prepay for the year as listed below for Civvies Days. Should you wish to donate more you are able to do so.

We are grateful for your help in sponsoring these children and supporting the V, M, K Schools.
