- PLEASE DRIVE SLOWLY & CAUTIOUSLY. ALWAYS WATCH FOR CHILDREN AS THEY CAN RUN IN FRONT OF A MOVING VEHICLE AT ANY TIME WITHOUT BEING NOTICED.
- Pick-up & Drop-off is a ONE-WAY ZONE. Do not ENTER from the EXIT or vice-versa. You must wait patiently in line until you reach the **pick-up/drop-off zone (marked with a white line along the yellow line on the right)**.
- When entering the pick-up/drop-off area, keep vehicle as close as possible to the yellow line on your right (Unless Parking).
- The first car entering the roundabout can proceed with caution towards the pick-up drop-off zone or park the car in the parking spots available. Please move forward as far as possible to allow other vehicles in the pick-up/drop-off zone.
- DO NOT unload, drop-off or park your vehicle until you have reached the pick-up/drop-off zone.
- No vehicle is permitted to pass another vehicle. NO PASSING until authorized by a staff member. And remember passing is only permitted from the left side. (Staying close to the right side yellow line allows vehicles to pass safely).
- The parking spots available inside the roundabout are for parents that prefer to park and walk their kids to/from their vehicle. Or if they need to go inside the office or school for any reason.
- If you are parking inside the roundabout, use caution when walking children to/from your vehicle.
- Cars entering the roundabout must always stop for anyone crossing.
- When picking up, ensure that a staff member has acknowledged you, so that they know to bring your child to your vehicle. (Staff might not know who is in the vehicle if you have tinted windows, rental cars and odd vehicles).
- Vehicles with tinted windows must make sure that staff recognizes you. (Make sure the staff, know who you are). Same applies if you are driving a different vehicle that we may not recognize.
- If you are in the waiting line for pick-up/drop-off, we advise you to stay in your vehicle until your child is brought to you.
- Leave enough space between cars so that you can see the rear tires of the vehicle in front of you.
- As a courtesy to others; while picking up or dropping off children from your vehicles, **do it promptly. (Keep conversations with others to a minimum)**.
- If you need to speak to a staff member or your friends, please make sure you park the vehicle in a designated parking spot!
- Children are to be supervised by an adult at all times. (If your child forgot something inside, do not allow them to run back inside by them self, you must park the vehicle in the proper parking spot and accompany them to a staff member).
- If you are picking up your child from the classroom, or vestibule, and you require to come inside, you in the parking spots before entering. Never park in the roundabout and leave your vehicle unattended.
- Do not leave your vehicle "ON" if you are exiting the vehicle for any reason. If you leave your vehicle, turn it OFF (even when you are buckling your children).
- Do not "back-up" without the permission of staff supervising and allowing you to.
- Please note that staff will not buckle or unbuckle your kids from their car seats. Staff will only assist in opening the doors to allow the child to enter or exit the vehicle. Parents are responsible for buckling up their children properly.
- **All irregular pickups must park in designated parking spot and report to the office. Do not stop in front of exit doors.**
- Always hold your children's hand when in the parking lot. NO RUNNING OR LEAVING CHILDREN UNATTENDED.
- If you are exiting through the parking space, please ensure that you do not proceed without the permission of a staff member. Many times, children are being loaded and unloaded.
