

MSK FUNDRAISING 2022-2023

Each year MSK supports initiatives to help build school community and model generosity.

Through our Fundraising initiatives MSK is able to support the V, M, & K Schools through the Olive Branch for Children, provide enrichment to our student's learning experience and connect with community causes to give back.

Throughout the school year, MSK will focus on seasonal causes for our families and students to participate in. Thought and consideration for the diverse needs of our families and students has been put into consideration, as we strive to offer a variety of ways to become involved and support the school community during the course of the school year.

Below is a sample of some of the initiatives that MSK is looking forward to supporting this year

Fall: Terry Fox Run, Bake Sale, Fall Fair

Winter: Volunteer Appreciation Event, Winter Concert, MS Read a Thon

Spring: Spring Concert, Jump Rope for Heart, Bowling Event, Year End Picnic

We also invite our parent community to be part of the MSK Fundraising TEAM - Together Everyone Achieves More. If this is of interest to you, and you would like to volunteer to help in the areas of providing support, organization and planning for the 2022-2023 school year please connect with Principal Kooner.
